1.) Weekly Meetings

Sunday Mornings, 10:45am in the Tub

Starting on September 11 we will be going over the Life & Times of Abraham. This will be an exciting & in-depth look at the man who was the "Father" of Israel and was the example of what it means to have genuine faith. Guaranteed to be fun!

1st Sunday Night of each month, 6-7:30pm in the Conference Room

Calling all Jr. Highers who want to lead by example & service! We are starting for the first time ever a Jr. High leadership group called G.I.A. (Glow In Action)! This group will meet once a month to discuss how to make GLOW better, to be challenged in their walk with Christ, and learn what it means to be a leader. No sign-ups necessary...just come and grow!

Wednesday Nights, 6:30-8pm in the Tub

Starting on September 7 Wednesday nights will never be the same! We will have more praise & worship. We will have more sharing & prayer. It will have group discussion every night about incredible passages in the Bible. It will also include our Small Groups meeting at the end of the evening (see details below).

2.) Extra Info on Activities & Events

Small Groups start on September 7. You will have a small group as usual (involving 5-7 people including an adult), but it will be done mainly online through an organization called Word of Life. You will log on & do your devos, write prayer requests, and share any needs or thoughts, and only your small group gets to see those things. The online devo includes the Bible passage, commentary to help understand the passage, and a place to write your thoughts. On Wednesdays, your group will meet briefly to talk & share. We will no longer meet on Sunday Nights. Instead, your group will meet everyday through the website. You can take a look at & even starting doing these cool devos right now at www.wol.org. The cost is @\$2-4 per month (it's well worth it)!

Weekly Emails...watch for them!

Every week we will send out an email informing you of any news concerning future events & meetings. Make sure you are on the email list to get the latest news!

3.) Future Events...mark your calendars!
