## Headwaters Kids

### A strange end to an Awana year and an exciting new beginning

Awana Leadership is going through some changes for next year. **Lindsey Miner** (left), our beloved and longstanding Director, has decided it is best for her family and personal life to step down.

Lindsey served as director for five full Awana years and has served in the

program for 10 years total. She has been an incredible leader for us all and will be greatly missed.

When you see her in the halls please give her a COVID-free expression of appreciation and wish her well for how the Lord plans to use her next at Headwaters.

## Ministry Update

### Progress on Chapel Project

Things have been moving full-steam ahead on the Chapel Project the last few months. HVAC and Electrical teams are working hard every day to get those systems up and running. We will be ready to move on to more interior finishes yet this summer.

Many hands have been diligently making progress on the 1930's orphanage chapel turned YWCA dance studio to restore it to its former glory and equip it for its future uses.

*"Being director of Awana allowed me to see the program in a new way. I could not have done it without all the amazing leaders, Jon, and Shirley there to support me, and I have loved getting to know so many great people. Thank you to all the parents, volunteers and church staff for helping cultivate and support this wonderful ministry."*

## Awana continued

### New Director

With great excitement we are pleased to announce that **Jillian Christiansen** (left) will be taking over as Director of Awana.

Jillian has served as the 2nd grade commander for 2 years and in Awana total for 6 years. She has shown great leadership and love for the kids and will be a great Director for the foreseeable future.

When you see Jillian in the halls please also feel free to give her a COVID-free expression of excitement!

### Pick up Your Awana Awards

Unfortunately we were not able to have an Awana Awards Ceremony this year to recognize the accomplishments that your kids work so hard to achieve.

We have gathered all of the awards that they have earned and have them packaged and ready for pickup near the child check in at Wallen Road or in the church office Monday through Friday between the hours of 9am – 4pm. [Click Here](#) to see the program for **the Awards Night** and congratulate these kids as you see them at church for their hard work this year. ■

(below) Clarence Bratton, Merland Beyler, and Garth Wilcox mill and stain custom wood trim for the finish stage of the Chapel.

## Chapel continued

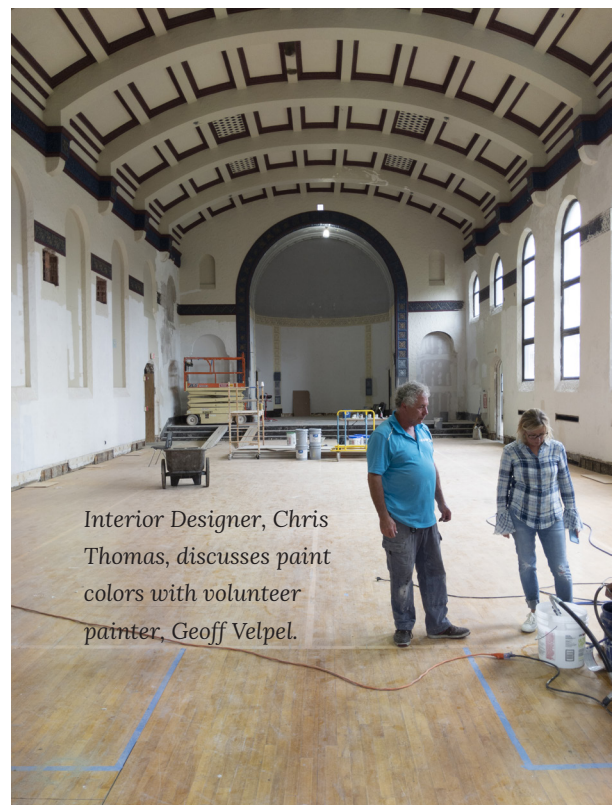

The Chapel will certainly be a beautiful location for weddings. Rooms for the bridal party to get ready are being prepared on either side of the stage. Jack Kuhn has pulled up parts of the wood dance floor to reveal the original flooring is still intact—and we're hoping it is throughout! Plaster repair and restoration is underway, and the marble floors on the stage will also be restored. Custom wood trim is being prepared by volunteers, and paint colors are being finalized.

It is exciting to see this beautiful piece of history coming back to life!

**Watch for future opportunities to get your hands dirty tearing up that dance floor when the time comes. ■**

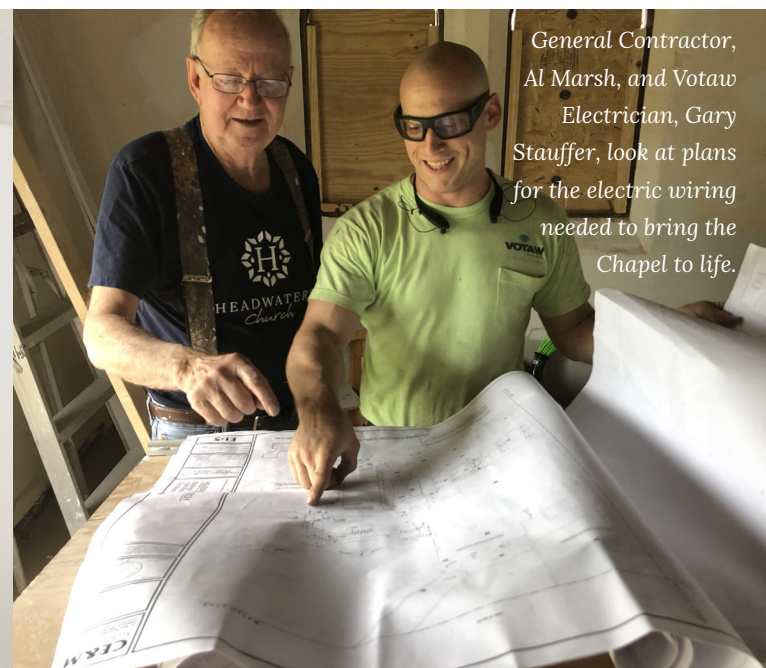

A new AC unit is installed in front of Building 6.

Interior Designer, Chris Thomas, discusses paint colors with volunteer painter, Geoff Velpel.

Claude Markstahler has been repairing damaged plaster work and even re-creating and replacing several decorative plaster elements.

General Contractor, Al Marsh, and Votaw Electrician, Gary Stauffer, look at plans for the electric wiring needed to bring the Chapel to life.

Headwaters Youth sang praises to the Lord on the lawn at Wells Street on a beautiful June evening.
