## MARCH 30

**MAR 30 | 11AM-12:30PM | HEADWATERS LAWN**

**KIDS 10 AND UNDER**

We're excited to partner with you all to bring a kids event to the Bloomingdale community. It's a sweet time of connecting with our neighbors, sharing the Gospel message through a puppet show, and inviting them to our Easter services. We'd love for you to join us!

How can you help? **We need candy donations!** We have several groups within our church that plan to fill around 20,000 eggs, beginning this month! Candy must be small enough to fit inside a plastic egg and still in its original packaging. **We also have a registry to purchase items for raffle basket giveaways** and **will need volunteers for that day too.** Another easy way to help is by picking up invite cards at the Kids' Check-In desk to give to your neighbors, friends, and family.

# BACKPACKING TRIP

Parents,

We have entered the planning phase of a backpacking trip for July 2025. To help us with this planning phase we will need you to fill out this survey expressing your students interest. If you have two students that qualify for this trip please fill out a survey for each student. Filling out the survey does not guarantee your student a spot on the trip it simply communicates the interest so that we can better plan. Fill out the survey [HERE!](#)

This trip will be through the back country of Medicine Bow National Forest. We will be staying six nights on the trail carrying everything with us in our packs.

We believe this trip is life changing. We will encounter God's creation and build friendships in ways that cannot be duplicated in any other way. We will spend time in God's word and singing with each other each day as well as studying A Shepherds Look at Psalm 23 together. **There**

**is a parent meeting that is REQUIRED in order to be considered for the trip. This meeting is on Sunday, May 5th from 3-5pm in the Sr. High Youth Room.** Attending this meeting does not guarantee your ability to go on the trip but it does qualify you to register at a later date. For more information go [HERE!](#)
