Headwaters Kids

Funds Donated for Indoor Play Space!

We received a very generous donation from a Headwaters family towards the purchase of an indoor play ground. This playground will hopefully be installed in the Kids Gym within in the next few months! We are so excited about this addition to Headwaters Kids Ministry.

The playground will include many levels of climbing and sliding fun, as well as spaces to hang out. The equipment will extend over the brick vestibule that is in the back of the gym. Kids can enter the climbing zone on the right side of the doors, climb up on top of the vestibule and then come back down the curly slide on the right. There will be gates that can block access when not in use.

The area on the left of the doors is separate from the playground portion. It can only be accessed from the left side. It includes areas for elementary kids to get comfy on bean bags and hang out.

We are excited about the fun this will bring to Headwaters Kids and have big dreams about how it could be used to bless our community as well! ■

"This amazing playground will be a great additional play space to get kids' wiggles out at church and holds possibilities as a ministry tool for reaching our community as well!"

*Make a Difference in the life
of a child in our community*

Mentorship Program

1-on-1 | K-12 | 45 min 2x/month

Make a difference in the life of a child in our community!

We have been invited to participate in a new program offered by Fort Wayne Community Schools to benefit kids in our community.

If you are interested in getting more information, please sign up here. This in no way commits you to anything, but will put you on an email list for when we hold an informational meeting.

Commitment level is 45 minutes twice a month. This is not tutoring, simply listening and caring about a student, one on one, in grades K-12 from one of our local schools, (Bloomington Elem, Lakeside Middle, & Northside HS). This is truly an amazing opportunity.

Sign up to get more info in the coming weeks ■

FORT WAYNE EVENT DETAILS:

The Great American Cleanup is the nation's largest community improvement program that Fort Wayne has participated in for over 20 years. It is a time when we can show our community pride by lending a hand to clean up littered roadsides, parks, trails and river ways.

A clean city makes a difference: It looks better to residents and visitors, and improves the overall quality of life. Litter, graffiti, unkempt parks and trails, and scattered debris create unsightly areas that would give visitors the wrong impression. Through the work of volunteers, we can come together and show how much we care about Fort Wayne's neighborhoods and public spaces. ■

Parent / Child Dedication

Headwaters Church believes children are a gift from God, and we are glad that you desire to dedicate your child to the Lord. You may dedicate your child at any age. Headwaters Church plans two Dedication Services each year, one in the spring and one in the fall.

**Our next Dedication Service will be
SUN, MAY 8.**

Please fill out an application so we can contact you to discuss with you what role Dedication plays in our faith. **Application deadline is APR 26.**

Be aware there is also a **REQUIRED Parent Class for all first-time dedicating parents MAY 1.**

All returning parents are encouraged to attend, as a way to refocus on your commitment before the Lord. Please consider your schedule in choosing when to dedicate, as ALL parents wishing to participate in the Dedication Service are required to attend the Parent Class at least once.

As a church we care deeply about your family's spiritual growth. We want to come alongside you as you train up your children in the discipline and instruction of the Lord. We are excited to help you in this step of Dedication.
