## **Kids Gym Nears Completion**

Our Facilities Manager, Jack Kuhn, and his team have been working hard this summer to repair and restore the Kids Gym for use this fall.

Plaster has been repaired and the entire room has received a fresh coat of paint. New HVAC has been installed. Gary Stauffer has done electrical upgrades and Jack built storage on the back part of the stage for Headwaters Kids. Al Marsh repaired the old wood floors.

Children's Ministry Director Erin Wood, Custodian Andrew Gruber, and Angie Kuhn all helped Jack apply the many finish coats to the floor. We think it looks fantastic.

A bonus feature to complete this classic room... a vintage three-spout, trough-style drinking fountain will be hung just inside the south door on the side of the gym.

**This room is almost ready for Awana kids!**

SHARING GOOD NEWS,  
**GREAT JOY!**

**Operation Christmas Child** takes shoe boxes filled with toys & crafts & school items and gives them to children all around the world. Long before shoeboxes arrive in more than 100 countries, volunteer National Leadership Teams train pastors and community leaders who want to share the message of the Gospel and bless children. The leaders learn how to host child-friendly outreach events, and how to implement "The Greatest Journey" follow-up discipleship program. This often brings family & friends to accept Christ and become active members in the local church.

## Abraham Thomas | India

Agape Royal Ministries *a ministry of Global Compassion*

### Logos College of Theology:

90 students completed quarantine and are ready for first trimester exams and trimester break conference. The second trimester classes will begin on September 22. We are so thankful to the Lord for His goodness for keeping everyone safe in their travel to Logos from different states of India and Nepal.

**New Baptisms:** Praise God for the 37 new converts from Madhya Pradesh, Andhra Pradesh, Punjab, Bihar, and Nepal who received believer's baptism in August 2021. It is a big praise because they live in extremely anti-Christian environments. Receiving baptism and identifying with Christians would invite severe persecution. Please pray for them.

### Motorcycles for

**Missionaries:** Three of our graduates working with unreached people groups received motorcycles for their ministry.

**Church Plants:** Three more new churches started in Chhattisgarh. This is a state where Christian persecution is intense. They need our fervent prayers.

**Goshen Home | Jiribam, Manipur:** Goshen is a new home in Manipur. There are 13 children in care. Eight of them are orphaned and others are semi-orphaned. We plan to add up to 20 children. These children are in great need for a lovely home and godly training. Please pray for them.
